Who would have thought that we would be having temperatures in the high 20's for such a long time. Actually it's quite cool in Café Jazz, so come on down. Attendances over the last few months have been very disappointing, and we have lost a fair bit of money. It's up to you whether you attend or not, but there could be a time in the not too distant future, when there will be no jazz on a Tuesday. Let's hope it doesn't come to that.

"Use it or loose it" (from Er in doors)

*As you know, for a long time we have been struggling to survive, can I say a big thank you to all the members who have given us donations of money, which has been very gratefully received, but in the near future, we'll have a couple of options to survive, e.g, pay the bands even less than they get at the moment, and raise the entrance and membership fees, but we don't want to do that, do we, what we want is 'BUMS ON SEATS!!!!!!!!!!!!', or we wont be there on a Tuesday evening for you to hear the traditional jazz. Pity the poor musicians!!!!!!!!!!!!, with no money to feed their wives and children, playing on street corners busking just to earn an honest penny!!!!!!!!!!!!. (Written by my wife Jean, she won't have a job of proof reading this magazine either).*

Some Band news:- Dave Smith (Trumpeter) will be hanging up his Trumpet in July due to ill health. Dave has been a firm favourite with our audiences, and we wish Dave better health and enjoy your retirement. Pop down and see us sometime!.

John Foley from "All That Jazz" is also retiring, for a period of time, as he has been suffering from health. We wish John all our best wishes for a quick return to better health.
